### SENSORY ANALYSIS

Appearance: A Sparkling Moscatel with very subtle pink tones, a Provencal color, limpid and transparent with fine and delicate bubbles arising from its natural fermentation to make foam. Olfactory: A typical product of the Moscatel family grapes, notes of tropical fruits. Gustative: A sparkling wine, with low alcohol content, making it attractive for consumption, not forgetting its freshness and measured sweetness, this sugar being the residue of the fruit itself. Pairing suggestion for salads, seafood and antipasti. Suggested consumption 4 to 6°C.
